

HVF LOGO CREW NECK

ARTIST HVF ART TEAM

Hedgehogs vs foxes. The name comes from Isaiah Berlin's book "The hedgehog and the fox", that itself, comes from the Ancient Greek poet Archilochus who said "a fox knows many things, but a hedgehog knows one big thing". If the world is made of these two types of people we believe that a good creative team had to be made of a balanced amount of both two. This symbol represents equality and complementarity of hedgehogs and foxes.
